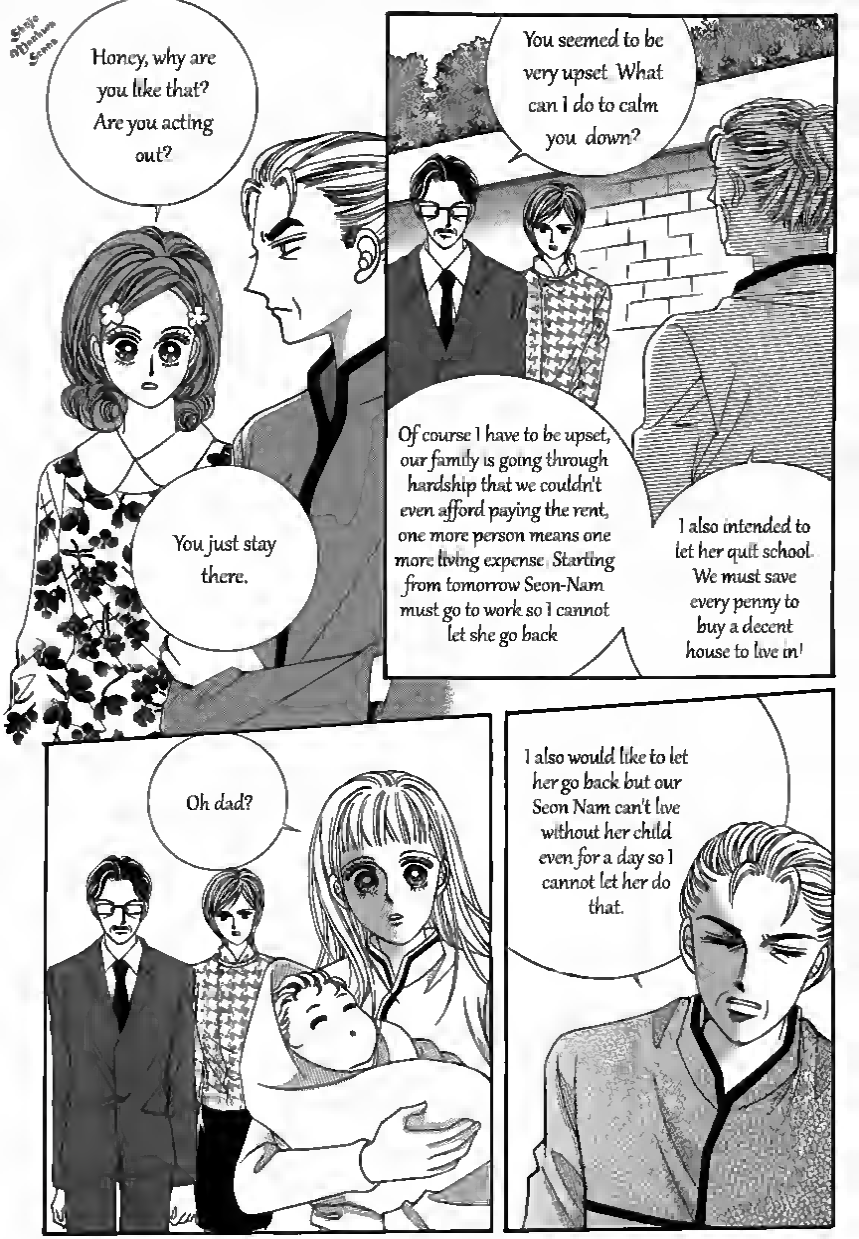
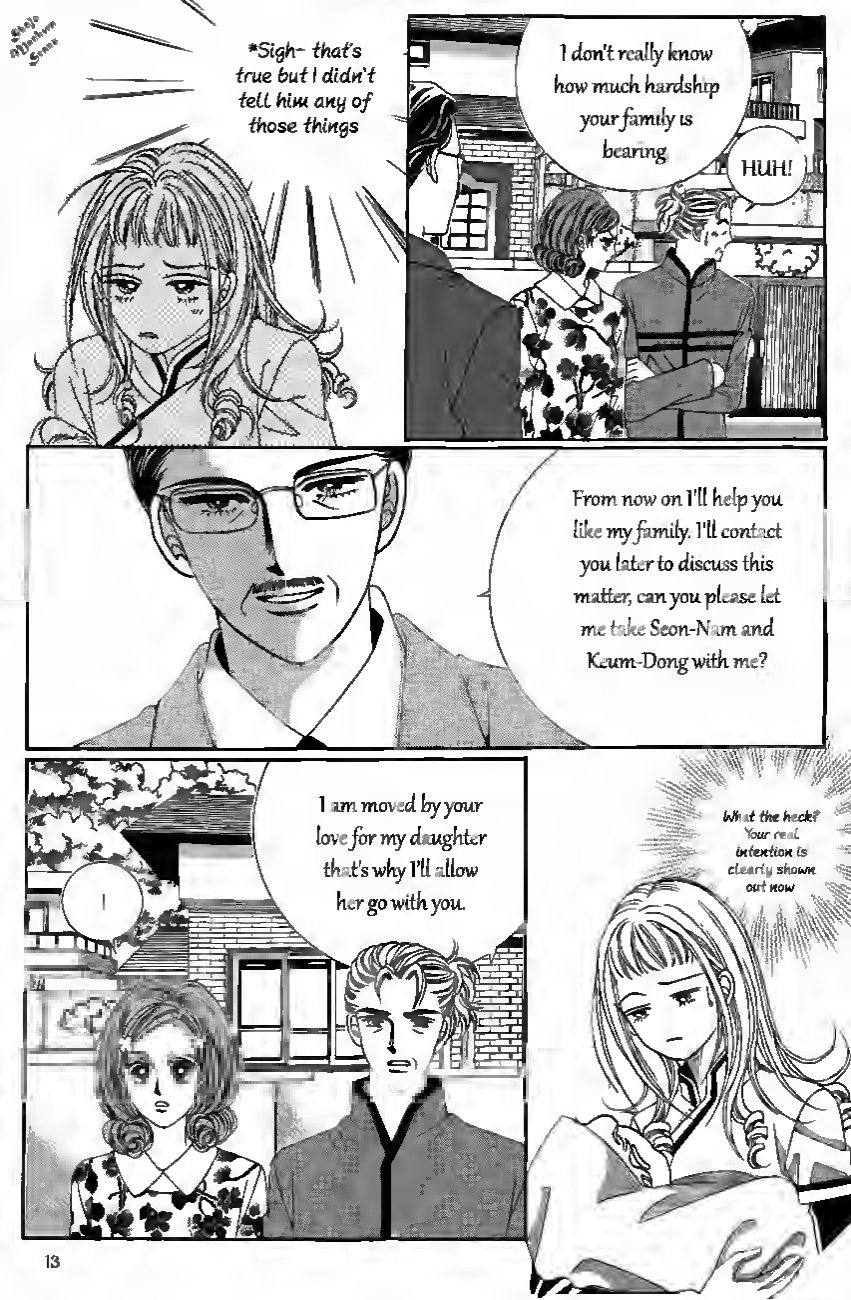
You cannot take Seon-nam back there.

I can't believe dad would say that
I understand why you're so angry and you can be way angrier. My grandson was too disrespectful.
My daughter-in-law was supposed to come here and apologize but in the end everything turned out like this.
Please don't be so furious. On behalf of my daughter-in-law and my grandson I truly apologize
I DON'T NEED ANY APOLOGIES! PLEASE JUST GO BACK.



Style of Fashion Scene
Honey, why are you like that? Are you acting out?
You just stay there.
You seemed to be very upset. What can I do to calm you down?
Of course I have to be upset, our family is going through hardship that we couldn't even afford paying the rent, one more person means one more living expense. Starting from tomorrow Seon-Nam must go to work so I cannot let she go back
I also intended to let her quit school. We must save every penny to buy a decent house to live in!
Oh dad?
I also would like to let her go back but our Seon Nam can't live without her child even for a day so I cannot let her do that.



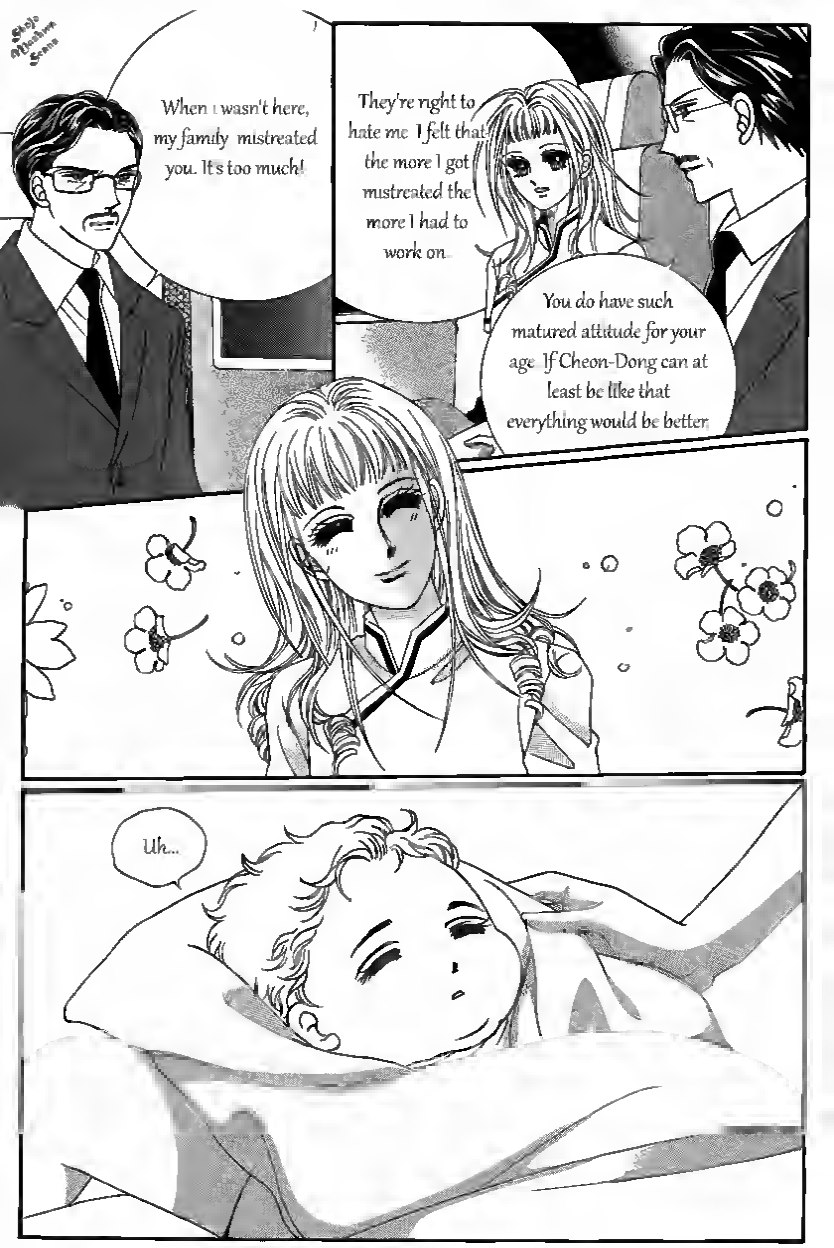
*Sigh- that's true but I didn't tell him any of those things
I don't really know how much hardship your family is bearing
HUH!
From now on I'll help you like my family. I'll contact you later to discuss this matter, can you please let me take Seon-Nam and Keum-Dong with me?
I am moved by your love for my daughter that's why I'll allow her go with you.
What the heck? Your real intention is clearly shown out now

What are you doing? Your granddad is waiting, quickly pack your stuff then come out here.
Oh right, right. Seon-nam, be quick. Let me help you.
If you can do that then we'll be very grateful.
Thank you for letting this go. I will talk to my daughter in law and Cheon-Dong so something like this doesn't happen again.
Haizz... That was so embarrassing...

YOU'RE A GENIUS! HOW COULD YOU THINK OF ALL THAT THINGS?
I know it right away since he personally came her for Seon-Nam and her baby I don't know what the others think but i know he will not abandon Keum-Dong
If i just let this go that house won't compensate us anything. If you want to live, you have to create a chance for yourself.
He said that later on he would call us Perhaps he'll transfer money into our bank account. So we just need to sit and wait right?
Yeah I think so.
DAD, WHAT'S WRONG WITH YOU? WHAT WILL GRANDDAD THINK ABOUT US? I'M SO ASHAMED!
OH MY! WHY ARE YOU SHOUTING? WHAT IF OUTSIDE...

Shinjuku Station
IF IT'S NOT FOR THIS PURPOSE THEN WHY WOULD YOU GIVE BIRTH TO THIS CHILD? QUICKLY GO AND PACK YOUR STUFF!
IT'S BECAUSE YOU GUYS DOING THESE THINGS THAT PEOPLE CALL US 'BEGGARS'!
THIS INSOLENT CHILD!
Forget it honey We have to understand her current situation

Style Attention Scene
붕
Why are you looking so uneasy? Is it that you don't want to come to our house?
No it is not. It's because my father was being harsh to you so I feel a little uncomfortable
What my father said to you before please just forget and don't mind it.
Why are you saying that? I'm the guilty one here.

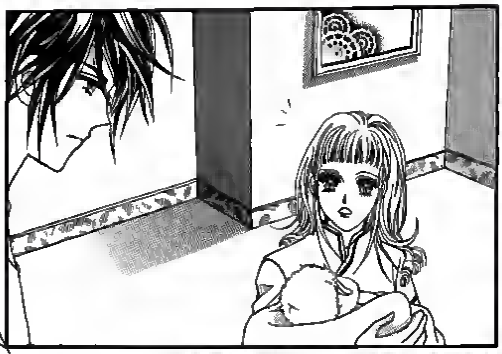


Shojo Manhwa Scene
When I wasn't here, my family mistreated you. It's too much!
They're right to hate me. I felt that the more I got mistreated the more I had to work on.
You do have such matured attitude for your age. If Cheon-Dong can at least be like that everything would be better.
Uh...

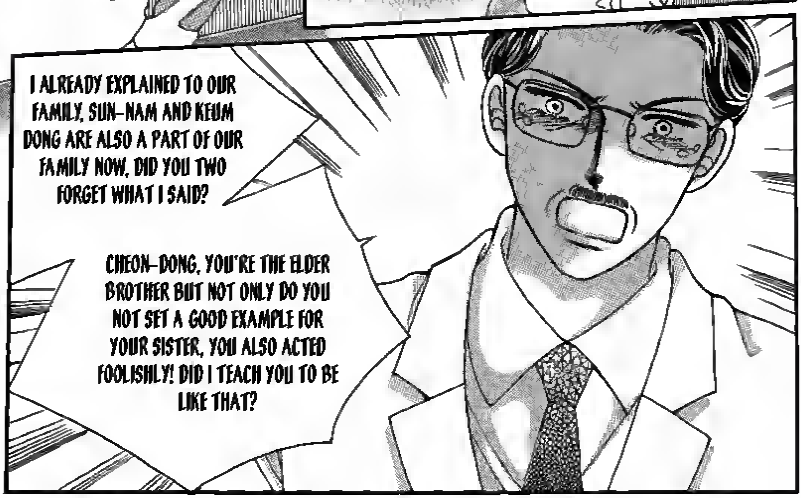
Long time no see, let me hold him for a while!
Oh, he looks like our daughter in law, he's so beautiful
Haha. I'm beautful?
Sun -Nam!

Hi Ms!
It's good that you're back!
Come in.
Yes.
Those girls are probably rely on water to live. All skin covers bones
I so want to transfer my fat for them!
Oh Oh! Oh-I love you
Shin-Hye, your grandad is home.
GRANDAD?!

GRANDAD! DID YOU BUY CAKE FOR ME!?
!
This girl, how could you talk to your sister in law like that?!
WHY ARE YOU HERE?!
I'm back.
.....
BAE-SEON - NAM?!



Why did you bring her back here again?



I ALREADY EXPLAINED TO OUR FAMILY, SUN-NAM AND KEUM DONG ARE ALSO A PART OF OUR FAMILY NOW. DID YOU TWO FORGET WHAT I SAID?
CHEON-DONG, YOU'RE THE ELDER BROTHER BUT NOT ONLY DO YOU NOT SET A GOOD EXAMPLE FOR YOUR SISTER, YOU ALSO ACTED FOOLISHLY! DID I TEACH YOU TO BE LIKE THAT?

NO MATTER IF YOU LIKE HER OR NOT, KEUM DONG IS STILL CHEON DONG 'S SON AND SHIN HYE 'S NEPHEW. HOW COULD YOU TWO BULLY SUN NAM AND HER CHILD? YOUR MOM'S ALREADY LIKE THAT AND YOU GUYS ARE SUPPOSED TO CONVINCE HER TO CHANGE HER MIND.
IF THIS HAPPENS AGAIN, I WILL NOT JUST TALK TO YOU LIKE TODAY...
Especially you, Cheon Dong! Remember my words okay?
.....
I don't want to

Shojo Attraction Scans
Just because you're the head of this house doesn't mean you can always force us to follow what you want. You always think you're right.
Not only us but our father too.
Stop it!
Brother you...
IF YOU HADN'T SCOLD OUR FATHER IN FRONT OF US THAT DAY, HE WOULD NOT HAVE LEFT AND DIED SUDDENLY LIKE THAT!
휙

BROTHER! BROTHER WHERE ARE YOU GOING?
Oh my God!

.....
From tomorrow the baby sitter will start working again.
You don't need to take care of house chores anymore. You're free to do wherever you want.

You must be tired now, quickly go upstairs and take a rest.
Yes, thank you grandpa.
He looks really sad!
What happened the day when Cheon Dong's father passed away?

MOM! THAT COCKROACH HAS RETURNED TO OUR HOUSE! THAT BAE SEON NAM.
GRANDPA JUST BROUGHT HER BACK HERE!
WHAT DO WE DO NOW MOM? CHEON DONG JUST ARGUED WITH GRANDPA FOR A WHILE AND LEFT.

The movie is so good. The best out of what I've seen 'till now.
Really? I think so too.
You don't like romantic movies-
How about we go and watch a comedy another day?

9:05
It's just 9 o'clock now?
What should we do now? Are you hungry? How about we go get some food?
Perhaps I ate too much popcorn before, because I don't feel like eating anymore
So forget about food, shall we head to the river bank?
I'm already exhausted. Let's just go home now
Do you want to go to my house?
Nah, I want to sleep in my house.

Only watching a movie then break up is...
Sorry, next time I will be with you longer
Okay, then I'll drive you home

Only 2 months away until our engagement party. It's probably the reason why I can't sleep well these days
Huh? What did you just ask?
Is that happening to you as well?

Shin Mihwa

Seems like you're truly exhausted. Go baack, take a shower and go to sleep early okay?
Okay.

Hey Cheon Dong...
Just speak.
Where are you now! I'm feeling down!

You also have a problem? Why are you drinking alone at a place like this?
I don't have a problem, I just want to drink, that' all
yeah you're right.
Recently... Jun has been acting really weird.

Even when I'm with him, his mind wanders elsewhere, floating in his thoughts. Now he doesn't even call me
Is it that he doesn't like me anymore?
You're really close to Jun. So what do you think?
If he doesn't need you anymore then he would have directly told you. In this case he still regularly meets you. Doesn't that prove he still likes you?
Oh yeah.

Everyone in this house hates me. Why did I return? Was this a good idea?
Keum-Dong grew up without much loving care from his father. What if this mentally hurts him?
What should I do for my child?

Sure, ask away!

You have relatives living in your house right? Who's the baby?
Ohh, you mean the baby with the girl who brought Cheon-Dong in right?
Ya, if I remember correctly her name was Seon-Nam.
That baby is her child.
My brother accidentally got her pregnant.

Are you telling the truth or are you joking with me? How can Cheon Dong do that?
Seon- Nam gave birth to the baby, then moved into my house after that.

At least walk decently You're going to crush me to death!

LET ME GO!

Now, take off your socks
You like Jun right? I know everything.

You're such a shameful woman. Why don't you go and get pregnant with his child?

That could be a good thing. You should have another child. Then you and your children can leave this house and live with Jun, even though his house might not be as wealthy as mine. Isn't that a good idea?

Oh is that you Seon-Nam?
Did you have a good sleep grandfather? You called for me?
Come over here
This is an invitation for a nurturing class for mothers Why don't you go attend a session? It could be good for you.
A nurturing class?
Yes, but if it embarrasses you because you're still young and have already had a child then you don't have to
Why would I be embarrassed? I am very proud of Keum-Dong

This class might have a very small amount of people I will definitely go
Yes, I am very proud of my grand-daughter-in-law
Heehee
FLASh

This ugly baby is as small as a herring

Huh...
Did you hear?

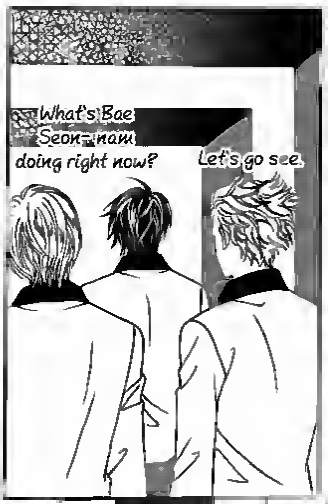
There's a girl who gave birth and is still going to school. Do you think the rumor's true?
I heard she's only a first year.
I heard she gave birth in the restroom.
OH! IT'S TRUE!
I HEARD SHE GOT PREGNANT 2 MONTHS AFTER SCHOOL STARTED, 10 MONTHS LATER SHE GAVE BIRTH.
Didn't she just give birth last Sunday?
She must be 18 if she's still going to school after giving birth
THAT STUDENT REPEATED A GRADE?
There was a student who repeated a grade last year?

Noise
The class will start in June. That's far from now.
Seon- Nam.
Huh?
Whatever happens don't believe the rumor that's going around. Don't bother with it.

What rumor are you talking about? I didn't hear any thing.
I think she's the one that got pregnant.
Ya, she gave birth last year
She's crazy.
After hearing the story, her face popped up in my mind.
Are they talking about me?
Why?
How did they find out?
That rumor spread around fast

That's right. We only had to say one word and it weaved into a story
It's an interesting story
There's even one about her selling her body for money. If this keeps going on, she'll be expelled!
If that happens then wouldn't it be easier on me? That was my goal to begin with.

Even though you're my friend, you're so evil.
Let's go



What's Bae Seon-nam doing right now?
Let's go see.

Restroom
"You're so evil" huh? I agree with him
All day everyone's been talking about me But it's all rumors that aren't true
She must be embarrassed I'd go home if I were her
It's her isn't it? She's going home?

But...
Maybe she's going home to feed her baby
Haha.
The story of that rumor.
I do have a child, but how did they come up with such a story about me?

Where are you going?
Aren't they from Cheon-Dong's fan club?
I've heard everything No wonder I always smell the scent of children when I stand near you.
Huh...?
I heard the father's a player who sleeps with anyone isn't he? Ugly whore!
What're you planning to hide? How do the teachers not know about this yet?

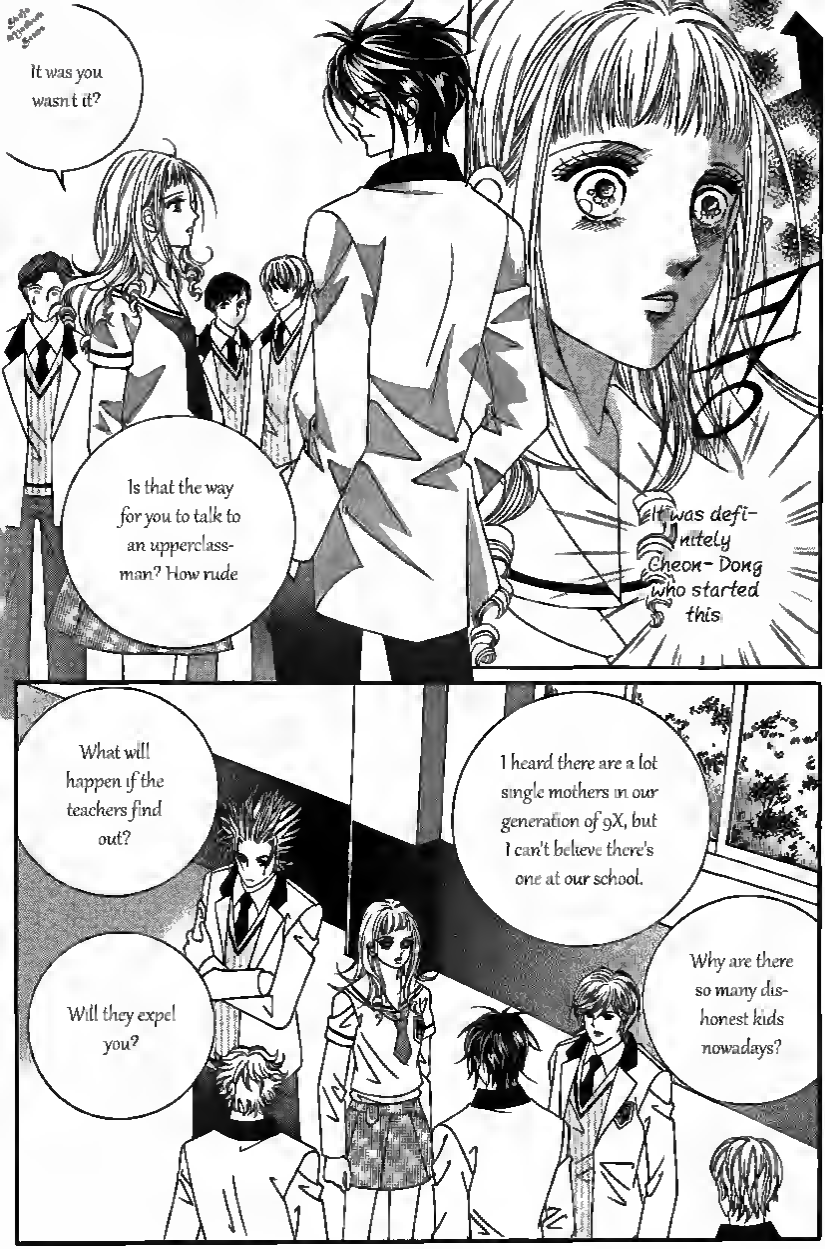
I have never done any of that. Please move out of the way
If you never did any of that then why are you running away?
That...
Answer me. If it's not true then why don't you tell us the truth?
The stories are true

Am I right?
Cheon-Dong <3!
What will you do? The whole school now knows. This situation will now be in the teachers' hands. It's only a matter of time.
But Cheon-Dong...

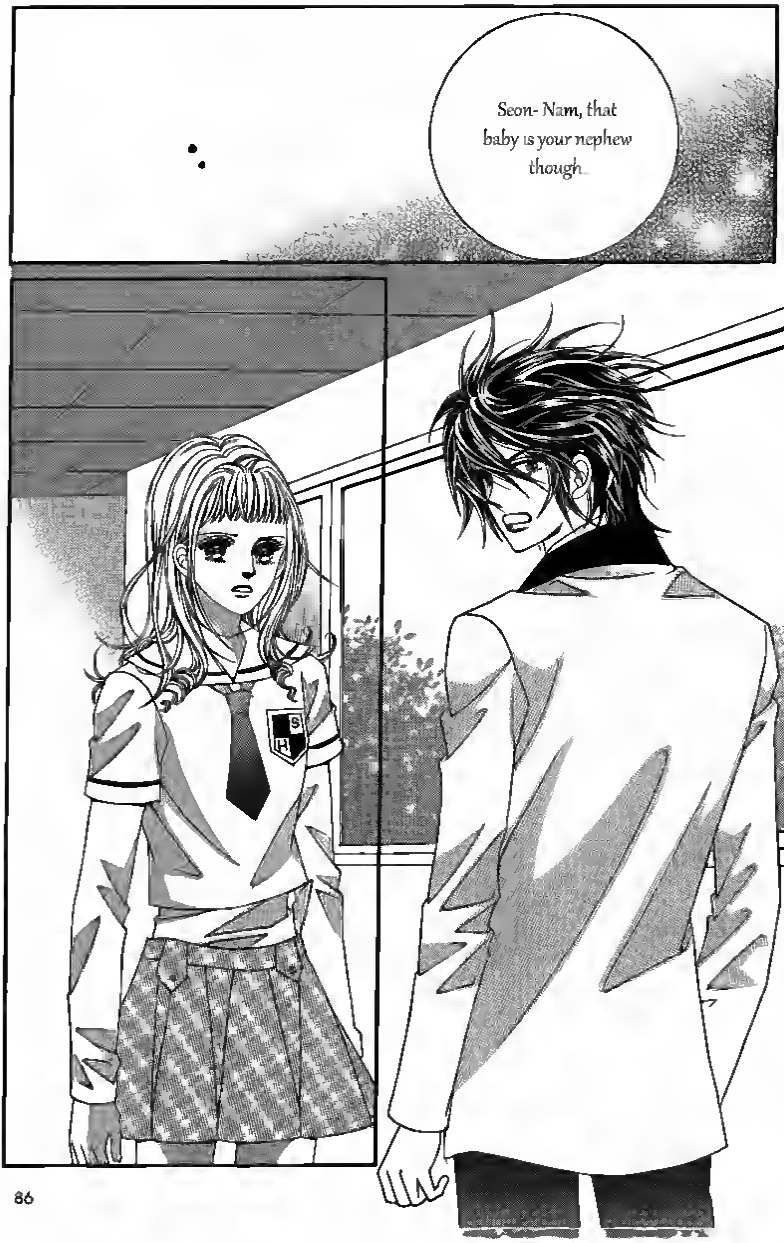
Take it!
What're you doing? Why steal my backpack? Give it back!
?
Huh? What's this? It's a picture of her son!

It's Keum-Dong!
When did this picture get into my backpack?
This is the first time I ever saw that picture

An invitation to a nurturing class?
There's even a class?
!
I didn't believe it at first. Who knew it was true?
Then the rumor about her selling her body is also true.
You slut! You have no right to be going to the same school as us!
.....



It was you wasn't it?
Is that the way for you to talk to an upperclassman? How rude
It was definitely Cheon-Dong who started this
What will happen if the teachers find out?
I heard there are a lot single mothers in our generation of 9X, but I can't believe there's one at our school.
Will they expel you?
Why are there so many dishonest kids nowadays?



Seon-Nam, that baby is your nephew though...

Kyaa it's Jun <3!!
Why not let everyone know that he is your nephew?

Jun.
Don't get involved in our business
What if I told everyone that you are the baby's father? Youd get into big trouble too, right?
소곤
저벅

Smartass!
You have to start talking. Why didn't you tell them the truth instead of letting them misunderstand?
You should tell them that you are taking care of him because your parents and brother has to work
Jun—

What's wrong with him?
.....
See! I knew that it was just chatter.
It was just a rumor after all.
YA! THERE'S A TEST TODAY RIGHT?
THAT'S RIGHT!
If she just needed to take care of the baby, then why take a nurturing class for mothers?
They're probably lying.
Maybe...

Hold on to it.
Jun.
1-7
HEY "EVERY-ONE", IF YOU AREN'T BUSY THEN LET'S GO WATCH A MOVIE OK? -JUN-

"If you want to have fun then go ahead and enjoy yourself."

She must be really happy to have escaped such a rumor
Ok.

But he already has a girlfriend. Would it be alright for him to see a movie with me?

Oi! Us meeting each other has no meaning behind it. We're only going to see a movie. Jun only sees me as an underclassman. Nothing more

Even if you did give birth just to mooch off of us, it doesn't matter. What matters the most is that you gave birth to Keum- Dong.
Because of that reason I am willing to help your parents.

Jun has changed.
He loves someone else.

Hic

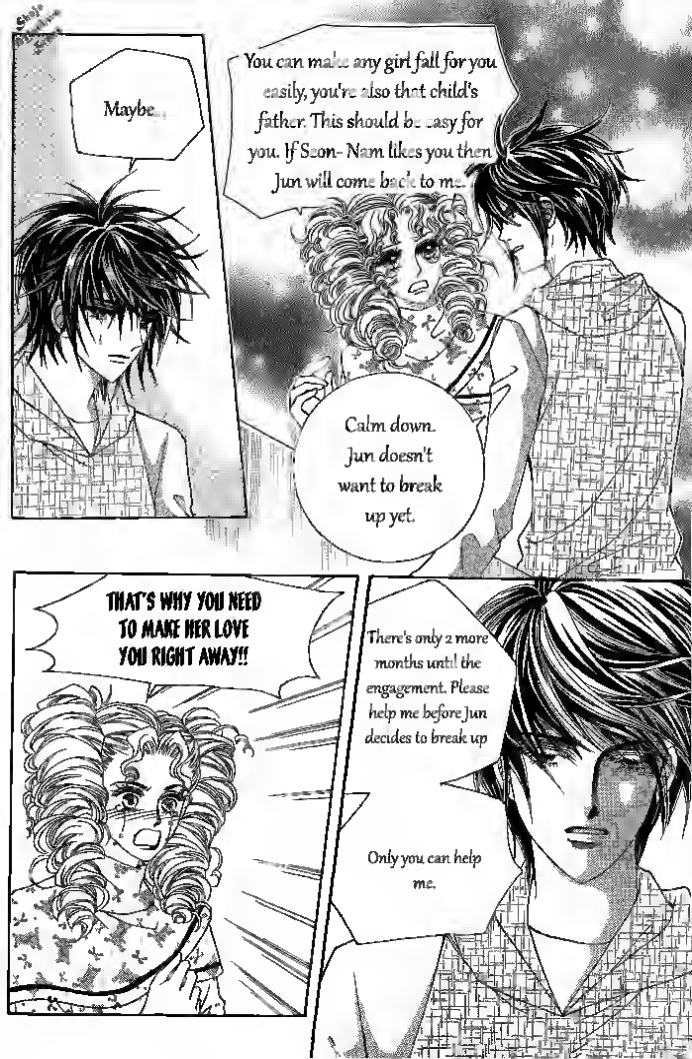
I've heard everything from Shin Hye
Jun has another girl! He doesn't love me anymore!

About Seon-Nam
That...
She gave birth and is now living at your house.
If I tell this to Jun, will he hate her and leave her? He has to give up if he knows
That's right I have to tell him right away
ㄱㄱㅓ!

Don't do that.
Jun...
already knows.

That's not right...
THEN WHY DOES HE STILL LIKE HER? THAT BITCH ALREADY HAS A CHILD, BUT WHEN SHE CALLED HE SEEMED SO HAPPY! WHY?!
I also want to know what he's thinking
.....
But... Seon-Nam likes you right?

No. I think she's liked Jun for a while now
Maybe
!
YOU HAVE TO MAKE SEON-NAM LIKE YOU!!
SOMEHOW MAKE HER LIKE YOU! YOU HAVE TO!
YOU CAN DO IT!



Maybe...
You can make any girl fall for you easily, you're also that child's father. This should be easy for you. If Seon-Nam likes you then Jun will come back to me.
Calm down. Jun doesn't want to break up yet.
THAT'S WHY YOU NEED TO MAKE HER LOVE YOU RIGHT AWAY!!
There's only 2 more months until the engagement. Please help me before Jun decides to break up
Only you can help me.

Su-In you know I still like you Yet you need me to help you with this Isn't that a bit too ruthless?
But since I love you too much, I'll help you.
OK, I'll try

Alright, I'll try.
Cheon- Dong...
THANK YOU SO MUCH!!

Remember to save some spare time for me. We'll go see that movie together.
Meeting each other here is just fine.
The people are very busy over there right?
The majority of them live a happy and peaceful life while there are some who have the worst of luck.
Which group do you think you belong in? Happy and peaceful or worst of luck?

Let go of me.
The restroom is behind me.
Do you suffer that much?

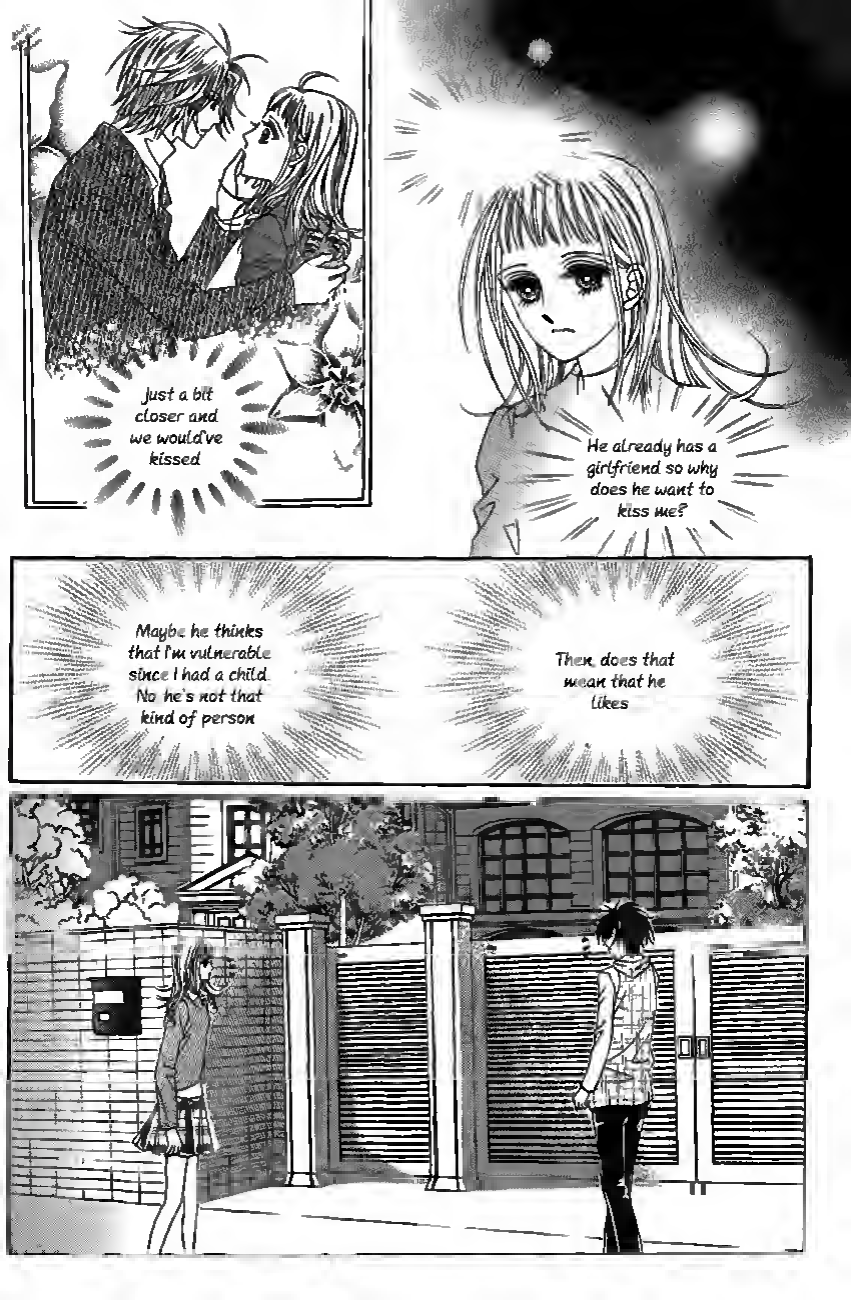
Let's go down.

Did I move a little too fast?
Earlier...



Just a bit closer and we would've kissed
He already has a girlfriend so why does he want to kiss me?
Maybe he thinks that I'm vulnerable since I had a child. No, he's not that kind of person
Then, does that mean that he likes

Who is it?
It's me
You came home with Cheon-Dong? Wait a bit.

Where did you go?

With Jun right?
From now on, never see Jun again You know he already has a girlfriend

Su-In, sorry
I have something else in mind.
Cheon-Dong I will steal everything that belongs to you.

Get on. We have to go.
Go where?
To school, where else?
Do you think I'll fall for the same trick twice?
.....

Sorry for leaving you on the highway.
And all of the stuff that happened yesterday too.
What's wrong with you? They say a person changes when they know they're about to die. Where are you hurt?
FINE THEN! I DON'T HAVE TO GIVE YOU A RIDE!
Vroom
NO! WAIT!
I'll trust you one last time.

Thank you.
Turns out you were telling the truth. For that I will forgive all of the mishaps in the past
What?
I'll go first~!
WAIT! LET'S WALK TOGETHER!

In the end why am I the one yelling "wait"?
Hey!
Why did you come so early? You usually don't come at this time.

I used a different method to get here faster
I can't believe I'd bump into him this early
Did you take a taxi?
We both used the same method to get here.
?
Because of yesterday I can't look him in the face
Umm.. I haven't done my homework yet so I'll be leaving first

What's... the matter?
I have something important to tell you. Can you stay a bit longer?
You can not talk to her!
두근

Let her go!
